I wanted to bring something to your attention because I know reading recipes from a PDF can be annoying. And if you're anything like me, you want to make these recipes because losing fat while eating the foods you love sounds like a dream.

13 years ago, I was like most people trying to get in shape (stuck eating bland chicken and broccoli, cutting out carbs, and wondering why I could never stay consistent).

I didn't know i could enjoy the best of both worlds until I discovered macro friendly recipes!

Now? I want to help millions of others have that "oh shit!" moment I had 13 years ago. So I built the world's first macro friendly recipe app designed to help you lose fat while still eating the foods you love.

Now anybody can get access to ALL my recipes (something i charged \$400+ in the past)... from their phone... whenever they want.

See unreleased recipes, save favorites, and find your next weekly staple, all inside the app.

INGREDIENTS FOR TENDERS

- **794g** Chicken Tenders
- **113g** Plain Non Fat Greek Yogurt
- **42g** Franks Red Hot Buffalo Sauce
- **60g** Panko

INGREDIENTS FOR BUFFALO RANCH DIPPING SAUCE

- **113g** Plain Non Fat Greek Yogurt
- **28g** Franks Red Hot Buffalo Sauce
- **8g** Ranch Seasoning

INGREDIENTS FOR NASHVILLE STYLE HOT SPICE MIX

- **2 tsp** Cayenne Pepper (Cut down on the cayenne to moderate how spicy this is!)
- **1 1/2 tsp** Paprika
- **2 tsp** Black Pepper
- **3/4 tsp** Sea Salt
- **1 tsp** Garlic Powder
- **2 tsp** (packed) Brown Sugar

INGREDIENTS FOR TOPPINGS

- **20g** Honey
- **12** Bread & Butter Pickles

DIRECTIONS

- 1 First make your Nashville style hot seasoning mix. I'd recommend to not go above that 10g for the cayenne UNLESS you want it to be SUPER spicy! It's already got a solid kick so I'd start there.
- 2 Then make your chicken marinade by adding 113g greek yogurt, 42g Franks Red Hot Buffalo Sauce and half your seasoning mix to a bowl and mix.
- 3 Then add your chicken tenders to a big zip lock bag along with all your marinade. Close the bag and tag the chicken tenders until coated with the marinade.
- 4 Now fill a shallow bowl with panko and the other half of your seasoning mix. Mix and then coat each chicken tender in the panko.
- 5 Once all coated, add half your tenders to your air fryer and spray with non stick cooking spray. Air fry on 400 degrees F for 9-10 minutes. Flip at the 6 minute mark.
- 6 Then while those are cooking, make your buffalo ranch dipping station.
- 7 Then once tenders are done, give them a little honey drizzle, top with bread & butter pickles and enjoy!

- 113g 2% Cottage Cheese (Good Culture)
- 150g Franks Red Hot Buffalo Sauce
- 10g Nutritional Yeast

INGREDIENTS FOR SALAD

- 50g Red Onion

- 35g All Purpose Flour
- 3g Baking Powder
- 8g Corn Starch
- 50g Panko
- 50g Egg Whites
- 50g Franks Red Hot Buffalo Sauce

DIRECTIONS

- 1 Add all your dressing ingredients into a small blender and blend till smooth. Add to fridge.
- 2 Set up your coating stations for your chicken tenders. Flour + corn starch + baking powder + seasoning station. Panko + seasoning station. Egg whites + buffalo sauce station. Use right/left hand technique to keep hands from becoming a clumpy mess. Left into the dry, right into the wet. Add a tender into the flour station, then into egg station and then into the panko station.
- 3 Once you have coated all your tenders, add a batch to the air fryer and spray with non stick cooking spray. Air fry on 400 degrees F for 9-10 minutes. Let chicken cool for 10 minutes at room temperature before chopping into bite sized pieces for the salad.
- 4 Now it's time to put together the salad. Remember, only use 1/3rd of the dressing in the salad. Also, make sure to grab a BIG bowl to mix all this! This recipe makes sense for about 3 big salad servings. And like I mentioned in
